COOKY'S CHRONICLE

Finally the 2015 season has arrived and the Senior squad are looking forward to playing after a long pre-season. We have a number of new faces in the senior ranks and we look forward to their contribution, both on and off the field, over the next few years and beyond. The Senior Colts that have come up, have in general, applied themselves really well to training and have adjusted to the demands of senior footy in terms of the preparation and fitness required to succeed. While we all hope they 'take off' we need to be patient with these lads as they develop and get a few games under their belt. Bailey Laidlaw and Lachlan 'Bomber' Jaeschke look set to start the season in the 'A' grade while Blake Earle, Tommy O'Sullivan, Joe Wiblin, Tarlin Stephenson will be one's to watch in our B Grade. Good luck to them as they embark on what is hopefully a long and successful senior career at our Club. A special mention to colts players Shane Channon and Aus Tizzio who hardly missed a senior training, and Daniel Garrard, Ben Cross, Ash Noble and Gilly who played in the trial game at Maitland - a few of these lads will be seen at some stage this year, and are all set for cracking years in the Colts.

New Players to the club, that you will see Saturday include, Chris Puatti, from Imperials in Murray Bridge, Scott Kuerschner from Orroroo and Todd Panoho will join his brothers (and sister) at the Roosters this year and are all good players that we expect will further improve our team, and our club. At the time of writing a few players were still drifting in which is a good sign with Craig Lewis playing on Saturday and Paul Longbottom not far away. Welcome to all of you and apologies for those I have missed. In terms of what our loyal supporters can expect this year, the A Grade have identified a number of areas for improvement from last year, that if we can execute some of these things we will be extremely competitive and continue our climb up the ladder. Our young players continue to develop and their consistent performance during a game will have a major bearing on our results. It looks like being an increasingly even competition and all the clubs below us last year will definitely improve. So, once again there will be no easy games. I feel confident we have a team that can go a long way and for the first time in at least the last 4 years, we have about 30 players who could, or have, played A Grade footy, so there is pressure to perform on a weekly basis. We will continue to promote youth into our teams, irrespective of age, and I make no apologies for this. I want to make our list as strong as possible, not just for this year, but for the next ten years, and talented players who work hard will be promoted. How will we go this year? As usual, it all boils down to how hard we are prepared to work, playing as a team and executing our skills under pressure - we look forward to Round 1.

In the B Grade we continue to introduce a number of young players into the side, which will inject some pace and excitement to the group. A healthy number of Senior players are going on and the B Grade team looks to have an excellent mix in terms of experience and youth. The Senior group have been excellent with the young guys and we think whatever happens early, as they play a few more games together, our B Grade will improve throughout the first round. Make no mistake we will be aiming to win right from the start.

All the best to the Junior Grades and the Netball Club for 2015. As a Club 2014 was really successful with a number of premierships, some improvement on a lot of other teams and the social side of the club was vibrant and strong. If we continue to get the basics right and improve 5% across the board it promises to be another excellent year. A lot of time and work has already gone into 'off the field' for 2015, particularly from the Committees, Coaches and other volunteers. As always, we thank all of you for your time and effort and I am sure, like the playing group, you are all looking forward to the Season starting. See you at the footy.
