

The Road Home

Hard to believe, but we only have 5 games left! Our run home is: RSMU, BBH, Saints, BSR and Blyth Snowtown.

The A grade is sitting 5th, 1 game behind Saints now. North and Saints both play the same teams in the last round. If previous results for us are repeated, we then need to beat Saints when we play them to draw level on amount of games won. If Saints cause an upset somewhere, the final four finish may come down to our last game and percentage against Blyth Snowtown. Our future is in our hands, and if we are good enough, we will make it!

The A1's are sitting 6th out of 7 teams. Mathematically they can make the finals, but they come up against the unbeaten cats, and third placed RSMU. While they could beat RSMU, the games to watch will be BBH and Saints (as BSR do not have an A1 team, they get a 'bye' week). So, we may end up with 4 or 5 wins for the season – which is a lot better than last year!

THIS WEEK, 26/7/14 Vs RSMU at Riverton (AWAY – WHITE Shorts)

RESULTS – Saturday 19th July vs Min Man

It was back on the road Saturday as we headed over to Manoora. The J5s had a lot of up and down the court for not much reward with a low scoring match but the spectators cheered them on enthusiastically all the same! The J3s continued their strong form getting well up with some great netball. Mollie Edmondson getting the incentive in this game but there were many high standard performances. The J4s were keen as usual and continue to improve under their young coaches while the J2s were once again helped out by the J3s to a good win 37-12 with Phoebe Helbig shooting well (incentive) and all girls trying to follow the coaches instructions with mixed results! School holidays took their toll on the J1s who fought hard but finished up going down by three with Paige Klingner getting the incentive. The 15U girls continued their winning form 53-18 with a return of their travelling players with Georgia May getting the incentive for some very accurate shooting. The C2s came up against the top team but showed how much they have improved only going down by 7 with an unfortunate injury to Ash in the dying seconds of the game. Hope you are back on the court soon Ash. The C1s were missing a few defences so Coach Jodie popped on the GD bib once again proving her versatility and willingness to lead by example to get the incentive and the points 50-28. I remember playing against Jodie many years ago and in those days it was a GA bib that she wore so I am waiting to see where she will end up next week!

The B2s also played the top side and went down 48-32 while the B1s kept up their winning form to win 52-39 with Jude Pink getting the incentive while Sam got the kids, maybe there is a link here Jude? The A2s got back in the winning circle with some strong performances from Shaylee Scott (incentive) among many others. The A1s got off to a slow start and a slow finish but in between played some competitive netball with Chelsea being very consistent to get the incentive.

In my travels through the cupboards I have found a few spare current warm up tops if anyone is interested in purchasing one at a reduced price of \$20 as we are hoping to have new ones next year.

There is 1 x size 12 (this is the size that Kristen wears)

2 x size 14

6 x size 16 (this is what size mine is)

4 size 18

If you are interested let me know.

Thank you to everyone who gave me their opinion on the game times, from the information received we will be voting in favour of the changes on Tuesday night at the NENA meeting and I will let you know the final outcome.

Netball Trip 2014

Where are we going?

When are we going?

Are a few of you able to volunteer to Organise this this year before it gets too late?

Congratulations to Sam and David Booker on their impending new arrival!

I'm sure Sam will still be there to cheer or her C2's in their march to the finals!

Suckers - Usually you get away with no photos –
But when Yana's sick, out comes the camera!!
HA-HA

Currently sitting on top of the ladder, 2 games clear of Min Man, RSMU and Blyth Snowtown- We beat the second placed Min man on Saturday by 13. Coached by Step Coles, here are some happy snaps of the girls in Action

Thanks Umpires!

I'm probably not the best person to say this, but I'd like to thanks the numerous volunteers who umpire netball and football each week. Especially the ladies and gents who do it throughout the entire season! Our games can't be played without you, and even though you cop a bit of flack, you still do it!

THANK YOU
