

COCK 'O DOODLE – DOO

Issue 4

Round 4, May 2014

Craig Jaeschke – 300 A Grade Games

Once upon a time, Rob and Lyn Jaeschke took their second born (eldest son, brother of Michelle and Grant) out to footy training for North Clare. Years later, 400+ North Clare (Senior and Junior) games & North Clare player Life Membership - on this day Craig Jaeschke will play his 300th A Grade games for North Clare Football Club.

These 300 games have created many friendships for Craig, and he is held in extremely high regard and admiration across all clubs in the North Eastern Football League

Against RSMU, at 2:30 pm Craig and his team mates will run out for what is set to be a fantastic match. Look for the Number 13!

GOOD LUCK FOAL!

COOKYS CHRONICLE

A tribute to Craig Jaeschke

Craig has been an absolute star of the NCFC for many years. He has done it all, won colts medal's, Best & Fairest's, Captained and Coached the club as well. I have no doubt top of his list of achievements would be playing in the 'A' Grade Premiership in 1997 - and we are all hoping that he might just squeeze one more of those out before he hangs up the boots. He deserves to.

Craig when he first came into senior football in 1996. He had always had loads of ability and starred in his last few years of Senior Colts. Hard to believe now, but when he first came into the 'A's he was pretty shy, and spent most of his first year not saying much at all and playing in the forward line showing glimpses of what was to come. Craig took a while, as all kids do, to understand the workrate and training required to be successful, and adjust to 'A' grade footy. His breakthrough game, I believe, was the '97 Grand Final when he ran rings around them all day and finished with 20 kicks and a couple of goals. From then on, as the confidence grew those of us playing with him had the best seats in the house, as he tore up the best players in the league over the next 15 years and became a champion of our club and the league.

Speed, pure speed and one grab were his trademarks - he ran around blokes like they were witches hats and it didn't matter if it was playing the bottom team or Interleague footy, it was all the same. The best game of footy I saw him play was at Crystal Brook in an interleague game - he must have had 40 kicks on a wing and about 140 bounces, it was unbelievable.

Craig is as tough as they come. Some of the tactics, even last week, and hits he has copped would have slowed a lot of blokes down but he has been remarkably resilient and not missed many games over the years.

Craig did a great job as coach for a few years and over many years as captain showed he is a real leader of men and his encouragement and advice to younger players is exceptional.

He is absolutely fair, hardly ever backchats anyone and is a hugely respected footballer and person within the our league. I can't recall anyone ever saying anything bad about him, not even from over the fence. I have been involved or watched North Eastern A grade footy for nearly 30 years, and he is the best player I have seen not to win the NEFL Mail Medal - he could easily have won 2 or 3 of them.

More importantly he is a terrific bloke, family man, and successful business man on top of a Champion country footballer. On behalf of all those that have played with him, and supporters who have watched him over the journey, well done and congratulations on reaching the 300 game milestone and good luck for the rest of your career. All the current players, coaches and supporters love having you around.

Champion of our club.

"Congratulations on your 300th game, you are such a quiet, humble achiever. 300 senior games, what an achievement – great effort. We are all very proud of you".

Love, Nicole XX

The weekend of netball started early with the A1 carnival and although our girls had some excellent passages of play and there was some sensational defence (at both ends) MinMan took the points. Incentive to Lauren Finey.

Once again parking was at a premium early due to two J5 games running. It is a sight to see all the little netballers filling the courts with a large crowd of spectators. Due to mixing and matching the final results were a bit vague but there is no doubt that netball was the winner. Ella Pink and Abbie Brereton getting the incentives.

The J3s put on a strong display and held on to win a great game 11-7 with Marie Mullighan getting the incentive. The J4s hung on to win a close game 8-7 with Tayla Schell getting the incentive. As most of these girls help make up the numbers for the earlier J5 scratch matches they did very well.

The J2s put on a fine demonstration of front cutting and shooting to have a big win 41-5 with Robyn Coles getting the incentive. The J1s were under pressure but pulled away at the end to win 28-23 with Jess Hawker getting the incentive. Once again Kel Vasek is the cool coach under pressure after winning plenty of close games last year with the A2s, the girls are fortunate to have someone of Kel's calibre take them on.

The 15U maintained their level of quality play, coping with multiple changes without a hiccup to go on to win 65-27 with Megan Lewcock earning the incentive for good play and direction even if her desire to get Kristen shooting closer resulted in a very close shave with the post for Kristen!

The C2s went down 23-61 but still showed some good skill under young Chloe's direction. Incentive to Maddie Marks. The C1 match was a game for the goalies. It is not often that you see more than 100 goals scored in a game of netball but with the final score 68-49 this was an amazing game to watch. Understandable goalie Jo Goodwin won the incentive. The B2s had another close game but are being hampered by injury so went down 35-44 with Alison Fuller winning the incentive. Hopefully when these girls get back to full strength they will turn some of these results around. It was the day for close games with the B1s getting over the line by 1 goal 44-43 thanks to some brilliant defence by Lisa Klingher and Bec Court (incentive) and some smart coaching by Step. The highlight was the President screaming "just keep possession" in the last seconds of the game and Yana and Lisa obediently having their own little game of corner spray in the back corner of the court!!! Experience does help sometimes.

The A2s have also been plagued by injury but managed to have a convincing win 51-29 with Chloe Cross looking very comfortable to win the incentive.

In addition to these games there was an important event at 12.30 with the inaugural Nat Scratch match taking place. No scoring, no uniforms but a group of ladies (from both clubs) keen for a game. Pinky ran water (and nearly got tangled up in Deb's legs, umpire coordinator Kathy showed that she can cope with being on the other side of the whistle, and Nat would have told them all they were too unfit but there is no doubt that she would have been thrilled. The MinMan girls made a donation in honour of Nat which will be passed onto the Motor Neuron Foundation in her name and hopefully we will do it all again this week!

On a more sombre note please remember that all our coaches are volunteers and when the game is on (starting from the warm up and including the breaks) the players should be listening only to the coach.

I am sure everyone means well but please let the coach do their job and don't offer the girls advice or direction unless specifically requested by the coach.

The last Country Champs trials have been completed and we have a record number of Northies representing the association on the June long weekend in Adelaide. All girls that trialed did very well so congratulations to you all whether you made the team or not.

Congratulations to Jess Hawker, Kristen Coles, Isobelle O'Dea Jess Aucote (Res) 13U, Chloe Cross, Sarah Jaeschke, Megan Lewcock, Emily Jaeschke 15U, Hannah Salter (Res) 17U, Amy Dolphin, Ari Harnette, Yana Zanette B Grade, and Chelsea Panaho A Grade.

Craig Jaeschke – North Eastern Legend

I managed to track down some opponents who have played a lot of footy with Foal over the years. Here's what they had to say...

I've had the pleasure of being able to play alongside, and against Craig. He has to be one of the most humble footballers I know! He has all the attributes of a great footballer. Strength, speed, leadership, agility, and most important of all desire. He has clean hands & an uncanny ball winning ability. He makes smart decisions in tight traffic and is extremely fair. He is hard to match up on because of his great work rate and smarts. I've really enjoyed our battles over the years and have the utmost respect for him. Congrats on the 300th mate! All the best!

Kim Hart (RSMU Hawks)

Craig is always fair and very competitive, he never questions the umpires decisions. Craig first played association A grade football in 1997 from the age of 18 and was always one of the first picked. His explosive pace and goal sense from half forward set him apart. One of the most respected footballers in the association.

Congratulations Craig on 300 games

Andrew Mitchell (Min Man)

He is always a threat to win games quickly – has won plenty of games for North with his ability to kick goals and break the game open with his speed (We were on the end of plenty of these!). Plays the game for the right reasons and is highly respected, due not only to his ability, but loyalty and the manner in which he plays the game. Congratulations!

Jason MacKenzie (BSR)

Craig has always been a very fair footballer, hard to match up on, with the ability to turn a game single handedly. Congratulations on 300 games

Paul Meyer (BSR)

From all of us at North – Congratulations! We are all so lucky to have you in our club. You are one of those freak athletes whom are just beautiful to watch. As well, you are a great friend and mentor to so many. Enjoy you day!
